

Learning Target #3: Analyze options to pay for a post-secondary education

Name: _____

Block: _____

Success Criteria:

1. Identify different options to pay for post-secondary education
2. Explain the financial risk factors of student loans.
3. Determine which financial options are available to me.

Resources to use for your table:

- <https://www.petersons.com/college-search/how-to-pay-for-college.aspx>
- <http://money.cnn.com/2017/04/25/pf/college/pay-for-college/index.html>

		• •	• •

SC2 Notes:

Loan Options	Description	Two Pros of this Option	Two Cons of this Option
Federal Subsidized Loans		• •	• •
Federal Unsubsidized Loans		• •	• •
Private Loans		• •	• •
Parent Plus Loans		• •	• •

Go to www.FAFSA.ed.gov and click on the FAFSA4Caster. Use your personal information including parents age and annual income to estimate your federal aid.

Amount of Grants I *could* qualify for: _____

Amount of student loans I *could* apply for: _____

Other information I found: _____

Learning Target #3 Reflection

After completing all of today's notes, analyze which options we discussed are good and available options to you and which options you will want to stay away from. Your reflection should be at least 4-5 sentences:
